About

B.Tech Computer Science and Engineering student interested in web development, software development, and practical problem-solving. Familiar with Java, Python, SQL, front-end technologies, and AI-assisted development tools. Building technical skills through academic and personal projects. Seeking a technical internship to apply existing knowledge, learn from real-world development, and contribute to a collaborative team.

Education

B.Tech – Computer Science and Engineering **2025–2029**
Uka Tarsadia University (AMTICS), Gujarat *3rd Semester*

12th / Higher Secondary (GSEB) **2023–2024**
Sanskar Vidya Sankul

10th / Secondary (GSEB) **2021–2022**
Shree Sardar Patel High Secondary School

Technical Skills

Programming Languages: Java, Python, JavaScript, SQL

Web Technologies: HTML5, CSS3, React.js, Responsive Web Design

Database: MySQL

Development Tools: Git, GitHub, VS Code, XAMPP, Apache

AI-Assisted Development Tools: ChatGPT, Claude, Cursor, Lovable AI, GitHub Copilot

Operating Systems: Linux, Windows

Projects

Mobile Shop & Repair Management System **GitHub**

PHP, MySQL, HTML, CSS, JavaScript, XAMPP

- Developed a centralized web-based system concept for organizing mobile shop sales, inventory, customer records, and device repair activities.
- Structured key modules for product inventory, sales billing, repair-ticket tracking, and customer purchase and repair history.
- Designed the system to help reduce manual record-keeping and improve the organization of day-to-day shop operations.

Password Strength Analyzer & Generator
Python

- Built a beginner-level Python utility to evaluate password strength using length and character-type rules.
- Provides feedback for improving weak passwords and generates random passwords using Python's `random` and `string` modules.

Certifications & Workshops

Full Stack Web Development – Internshala
Certificate No.: hzg92s44t8 **Verify Certificate**

Getting Started with Linux Fundamentals (RH104) – Red Hat Training **Credly Badge**

GitHub Workshop

Activities

Hackyard 2026
